

FOLDING DIRECTIONS

Refreshing Catnip

1. Place the mouse on a smooth, clean, dry floor.
(lint and pet hair can jam the wheel and motor mechanisms.)
2. Familiarize yourself with the simple controls on the cheese wedge controller (**figure 4**).
 - a. ON/OFF SWITCH (left side of the wedge)
 - b. LIFT CRACKER (forward and backward)
 - c. RIGHT CRACKER (left/right steering control)
 - d. EXTENDABLE ANTENNA

Storage & Safety

1. Turn "OFF" the toy.
 2. Store the mouse on the charger away from your cat.
 3. To extend battery life, turn "OFF" toy when not in use.
- Hint:** For long term storage, remove batteries from cheese wadges, store separately.

SmartyKat® CompleteNeeds™ System

The RunwayRascal meets the need for EXERCISE, one of the 12 needs described in our SmartVital CompleteNeeds System. For more information about the RunwayRascal and other fine products in the SmartVital CompleteNeeds System, visit www.worldwise.com

Email: smartykati@worldwise.com
Mail: Worldwise Inc., Dept. 5K
 PO BOX 3360
 San Rafael, CA 94912-3360
Phone: (415) 721-7400

Playtime!

1. Gently squeeze the mouse toy to activate the light and sound.
2. Bring your cat into the room with the mouse toy giving him a few minutes to investigate before starting the toy. The catnip will help lure him to the toy.
3. Slide the power button into "ON" position to activate the catnip. Follow opening instructions above to play.
4. Experiment with controls to start and stop toy, and to vary direction, again, based on your cat's reactions.
5. Extended use is not for longer nights.

SmartyKat®
RunawayRascal™
remote-controlled mouse toy

Thank you for purchasing the **SmartyKat RunwayRascal** remote-controlled mouse toy.

Our RunawayRascal puts the pulse-quickenning fun of a mouse chase in your hands, giving your cat the kind of calorie-burning workout that will help him maintain a healthy weight, tone muscles and relieve pent-up energy.

Your cat will love the irresistibly erotic movements you can create with the RunwayKascat remote control. Get the RunwayKascat remote control. Get the wheels turning on the push cart-like-mouse by using the fun, cheese-wedge-shaped remote control and keep'em moving in all directions to maximize your fun. We can't guarantee you'll burn as many calories, but you'll have just as much fun as the cat from the driver's seat!

For more information about the RunawayRascal remote controlled mouse toy, visit:
www.worldwise.com.
